Subject: **Renewal of Accreditation**

Dear Sir,

NABL has reviewed the assessment report along with the corrective actions submitted by the laboratory and pleased to inform Renewal of accreditation in accordance with ISO 15189:2012 in the field of Medical testing for the discipline of Molecular Testing as per the scope recommended by the assessment team.

All the personnel proposed by the laboratory to review the results and authorize the release of reports of Molecular Testing are accepted.

With respect to SARS-CoV-2 testing it is the responsibility of the laboratory to abide by the National/ Regional/ State/ Local regulatory requirement/ Acts/ Rules as applicable and effective from time to time.

With respect to the persons to review the results and authorize the release of reports, it is the responsibility of laboratory to abide by the National/ Regional/ State/ Local regulatory requirements/ Acts/ Rules/ Legal orders/ Court Decisions/ Orders issued by Government/Statutory Bodies as applicable and effective from time to time.

The accreditation certificate: MC-3843 is valid from 20/12/2022 to 19/12/2024 is in process of preparation and will be issued shortly.

The laboratory is required to follow NABL 133 document for the use of NABL symbol and claim of NABL accreditation.

The laboratory is required to apply Desktop Surveillance after ten months from the issue date of accreditation.

For the terms and conditions and for maintaining NABL accreditation please refer NABL 131 document.

Yours Sincerely,

Karli Sreenivasalu
